SNDT Women's University.

Subject: Appreciation for Contribution to the CUNY-India Air Pollution Study

Dear Pujitha Mamishetty,

It is with great pride that we acknowledge you volunteering your time to participate in the CUNY-India Air Pollution Study, conducted in collaboration with the City University of New York (CUNY) and supported by the U.S. National Science Foundation. The study, held from December 30, 2024, to

January 12, 2025, focused on micro-scale air pollution research in Mumbai. Your dedication, hard work, and collaboration with an international team have been invaluable. You upheld the high standards of SNDT Women's University and demonstrated exceptional academic and research rigor.

We commend your efforts in data collection and coordination during the research period from 8:30 AM to 4:00 PM daily. As a token of appreciation, you have received a certificate of completion from CUNY, acknowledging your contributions.

We are confident that the skills gained during this research will greatly benefit your academic and professional journey. Your achievements inspire others to contribute to scientific research and sustainability.

Best wishes for your future endeavors.

Sincerely,

Dr. Neal Phillip (PI), City University of New York
Prof. Paramita Sen (co-PI), City University of New York
Dr. Brian Vant-hull (co-PI), City University of New York
